INTEROFFICE MEMORANDUM**

TO: Mayor, Vice Mayor, & City Commissioners

FROM: Dr. Roy L. Virgin, City Manager

BY: Francois Domond P.E. Director of Utilities

DATE: May 28, 2026

RE: Temp. Reso. No. 8705 approving the Award of IFB No. 26-015 Service Pipeline Leak Replacement Services to Cacique Utilities in the amount not-to-exceed \$667,600

RECOMMENDATION: The City Manager recommends approval of Temp. Reso No. 8705 Awarding Invitation for Bids (“IFB”) No. 26-015, entitled “Service Pipeline Leak Replacement Services,” to Cacique Utilities, in the amount not-to-exceed \$667,600, as the lowest responsive and responsible bidder, and authorizing the City Manager to execute the appropriate agreements and related documents.

ISSUE: City Commission approval is required for expenditures exceeding \$75,000 in accordance with Section 2-412(a)(1) of the City of Miramar Code of Ordinances.

BACKGROUND: The Utilities Department operates and maintains the City’s water distribution system, consisting of hundreds of miles of pipelines and thousands of service connections. Maintaining system reliability is essential to providing continuous potable water service to residents and businesses.

Service pipeline leaks occur due to aging infrastructure, material deterioration, soil movement, and hydraulic pressure fluctuations. These failures require excavation and replacement to restore service and maintain system integrity.

Leaks result in the loss of treated potable water that has already incurred costs for production and distribution. Timely repairs reduce water loss, maintain system pressure, and minimize service disruptions.

The City's water system is currently operating at approximately 95% of its available capacity, increasing the importance of reducing system losses and maintaining operational efficiency.

To address these needs, the City issued IFB No. 26-015 to procure qualified contractors to perform service pipeline replacement and associated restoration work on an as-needed basis.

DISCUSSION: Bids were publicly opened on March 11, 2026, and eight (8) bids were received. Following evaluation by the Procurement Department, Cacique Utilities was determined to be the lowest responsive and responsible bidder.

Cacique Utilities submitted a competitively priced unit price bid. Under this contract structure, work will be issued on a task-order basis, and compensation will be based on pre-established unit prices for completed quantities of work.

ANALYSIS: Timely repair and replacement of service pipelines are critical to maintain system reliability and operational performance. Prompt leak repairs reduce non-revenue water, minimize service disruptions, and preserve system pressure.

Failure to address leaks results in continued water loss and increased operational demand. Proactive replacement efforts improve system efficiency, extend infrastructure lifespan, and support long-term sustainability.

This procurement supports the City's objectives related to infrastructure reliability, water conservation, and operational efficiency.

26.1 The City reserves the right to perform operations related to the Project with the City's own forces, and to award contracts in connection with the Project which are not part of the Contractor's responsibilities under this Agreement.

26.2 The City will have the right to inspect and conduct periodic inspections of the Work and/or Materials to determine compliance with the requirements of the Contract. Any Work and/or Materials rejected by the City for non-compliance shall be replaced and/or corrected at the Contractor's expense. Failure to reject Defective Work and/or Materials, whether from lack of discovery of such defect or for any other reason, will not relieve the Contractor from responsibility to complete the Work in full compliance with all Contract requirements and shall in no way prevent later rejection of such Defective Work when discovered.

ARTICLE 27
LIMITATION OF LIABILITY

27.1 The City desires to enter into this Agreement only if in so doing the City can place a limit on City's liability for any cause of action for money damages due to an alleged breach by the City of this Agreement, so that its liability for any such breach never exceeds the fee paid to Contractor herein, less any sums paid by the City. Contractor hereby expresses its willingness to enter into this Agreement with Contractor's recovery from the City for any damage action for breach of contract to be limited to a maximum fee paid to Contractor herein, less any sums paid by the City.

27.2 Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor agrees that the City shall not be liable to Contractor for damages in an amount in excess of the fee paid to the Contractor herein, less any sums paid by the City, for any action or claim for breach of contract arising out of the performance or non-performance of any obligations imposed upon the City by this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon the City's liability as set forth in Section 768.28, Florida Statutes.

27.3 In no event shall either party be liable for any indirect, incidental, special, or consequential damages, including, without limitation, loss of profits, revenue, or use incurred by either party or any third party, whether in an action in contract or tort, even if the other party or any other person has been advised of the possibility of such damages.

ARTICLE 28 **THIRD PARTY BENEFICIARY**

It is specifically agreed to between the City and Contractor executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

ARTICLE 29 **WARRANTY AND GUARANTEE**

Contractor warrants and guarantees that at the conclusion of the Project, a written certificate to the City will be provided stating that all Work has been performed in accordance with the General Conditions. A written warranty will be given to the City against the occurrence of defective Materials and workmanship for a period of one year after acceptance of the Project by the City. At the expiration of the one-year warranty period, Contractor will formally assign to the City all extended and special warranties given by Subcontractor or Subconsultant, manufacturers or Suppliers for their Work or products on the Project and formally notify Subcontractor or Subconsultant and Suppliers of the assignments.

ARTICLE 30 **DISPUTE RESOLUTION**

30.1 Any dispute concerning performance of this Agreement shall be decided by the City, who shall reduce the decision to writing and serve a copy on the Contractor. The decision shall be final and conclusive unless within 21 Days from the date of receipt, the Contractor files with the City a petition for administrative hearing. The City's decision on the petition shall be final, subject to the Contractor's right to review pursuant to Chapter 120, Florida Statutes. Exhaustion of administrative remedies is an absolute condition precedent to the Contractor's ability to pursue any other form of dispute resolution; provided, however, that the parties may employ the alternative dispute resolution procedures outlined in Chapter 120.

30.2 Without limiting the foregoing, the exclusive venue of any legal or equitable action that arises out of or relates to this Agreement shall be the appropriate state court in Broward County, Florida. In any such action, Florida law shall apply, and the parties waive any right to trial by jury.

ARTICLE 31 **HEADINGS AND INTERPRETATION**

Title and paragraph headings are for convenient reference and are not a part of this Agreement. Contractor has been given an opportunity for counsel of its choice to review this Agreement. Accordingly, no party shall be deemed to have any benefit as the drafter of the document for interpretation purposes.

ARTICLE 32 **SCRUTINIZED COMPANIES**

32.1 Contractor certifies that it and its subcontractors are not on the Scrutinized Companies that Boycott Israel List. Pursuant to Section 287.135, F.S., the City may immediately terminate this Agreement at its sole option if the Contractor or its subcontractors are found to have submitted a false certification; or if the Contractor, or its subcontractors are placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

32.2 If this Agreement is for more than one million dollars, the Contractor certifies that it and its subcontractors are also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in Section 287.135, F.S. 32.3 The Contractor agrees to observe the above requirements for applicable subcontracts entered into for the performance of work under this Agreement.

32.4 As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize the above-stated contracting prohibitions then they shall become inoperative.

ARTICLE 33 **SEVERABILITY**

33.1 Should any provision, paragraph, sentence, word or phrase contained in this Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable under any applicable Law, such provision, paragraph, sentence, word or phrase shall be deemed modified to the extent necessary in order to conform with such Laws, or if not modifiable, then same shall be deemed severable, and in either event, the remaining terms and provisions of this Agreement shall remain unmodified and in full force and effect for limitation of its use.

33.2 City and Contractor each bind itself, its partners, successors, assign and legal representatives to the other party hereto, its partners, successors, assign and legal representatives in respect of all covenants, agreements and obligations contained in this Agreement and in all the Contract Documents.

ARTICLE 34 **E-VERIFY PROGRAM**

The Contractor will not hire any employee who has not been vetted through E-Verify. The Contractor may not subcontract any work for the City to any subcontractor that has not provided an affidavit stating that the subcontractor does not employ, contract with or subcontract with an unauthorized alien.

2. I understand that a "public entity crime" as defined in Section 287.133(1)(g), Florida Statutes, means a violation of any state or federal Law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
3. I understand that "convicted" or "conviction" as defined in Section 283.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.
4. I understand that an "affiliate" as defined in Section 287.133(1)(a), Florida Statutes means:
- a. A predecessor or successor of a person convicted of a public entity crime;
or

b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Section 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bids on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement (Indicate which statement applies).

Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list (attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

February 3, 2026

ANNIVERSARY DATE: February 3rd

Ms. Lisa Valencia
CACIQUE UTILITIES, LLC
3350 SW 148th Avenue, Suite 110
Miramar, Florida 33027

Dear Ms. Valencia:

The Broward County Office of Economic and Small Business Development (OESBD) is pleased to announce that your firm's **County Business Enterprise (CBE)** certification has been renewed.

Your firm's certifications are continuing from your anniversary date but are contingent upon the firm verifying its eligibility annually through this office. You will be notified in advance of your obligation to continue eligibility in a timely fashion. **However, the responsibility to ensure continued certification is yours.** Failure to document your firm's continued eligibility for the CBE and SBE programs within **thirty (30) days** from your anniversary may result in the expiration of your firm's certifications. Should you continue to be interested in certification after it has expired, you will need to submit a new application, and all required supporting documentation for review.

To access and respond to Broward County's solicitations, you will need to be a registered vendor with Broward County. The current web-based procurement platform is **Periscope S2G** (f/k/a Bidsync). However, the County is in the process of switching to a new procurement system called **BPRO, powered by Bonfire**. All vendors must complete the vendor registration process in the new **BPRO** system. It is free to do so. Until the switch to **BPRO** is complete, it is advisable to register your company to do business with Broward County under both Periscope S2G and BPRO. Information on how to register your company can be found on the Purchasing Division's webpage: www.broward.org/Purchasing or use your camera to scan the QR code.

Current Broward County Government bid opportunities can be viewed on www.broward.org/Purchasing, you may have to scroll down the page, and click on "Current Solicitations and Results." Also, from this website, you can log into your firm's profile in Periscope S2G or BPRO to ensure you have added all appropriate classification codes. Bid opportunities over \$3,500 will be advertised to vendors via e-mail and

according to classification codes, so please ensure that both the Purchasing Division and OESBD are apprised of your current e-mail address.

Your primary certification group is: **Construction Services**. This is also how your listing in our directory will read. You may access your firm's listing by visiting the Office of Economic and Small Business Development Directory, located on the internet at: <https://broward.gob2g.com/> and click on "Search Certified Directory."

Your firm may compete for, and perform work on Broward County projects in the following area:

NAICS CODE: 237110, 237990

We look forward to working with you to achieve greater opportunities for your business through county procurement.

Sincerely,

Cheryl Roberts, Small Business Development Supervisor
Office of Economic and Small Business Development
