**CITY OF MIRAMAR
INTEROFFICE MEMORANDUM**

TO: Mayor, Vice Mayor, & City Commissioners

FROM: Dr. Roy L. Virgin, City Manager 

BY: Shana Coombs, Chief Operations Officer/Public Works Director

DATE: August 28, 2025

RE: Temp. Reso. No. 8488 approving the Purchase of Vehicles and Equipment for the Utilities Department

RECOMMENDATION: The City Manager recommends approval of the Temp. Reso. No. 8488, approving the purchase of seven (7) vehicles and equipment in the amount of \$627,744; utilizing Florida Sheriff's Association Bid Nos. FSA23-EQU21.0, FSA 23-VEH21.0, and FSA24-VEL32.0.

ISSUE: City Commission approval is required for all expenditures exceeding the \$75,000 per vendor limit. This purchase authorizes expenditures to three (3) vendors in the total amount of \$627,744. Section 2-413(7) of the City Code provides for purchases made through cooperative purchasing agreements with other governmental agencies to be exempt from the City's competitive procurement requirements.

BACKGROUND: The FY2025 budget includes funding for procuring seven (7) additional vehicles to support the Utilities Department municipal operational needs. The list of vehicle types and vendors are summarized in the below table:

Vendor	Qty	Description of Purchase	Total Cost
Duval Ford	2	Ford F-250 XL Crew Cab Pickup	\$123,532
Bachrodt FT, LLC dba Palmetto Ford of Miami	1	Ford F-550 Super Cab Dump Truck	91,307
	2	Ford F-750 Dump Truck	264,994
Kelly Tractor Co.	1	Caterpillar 303.5E2 CR Mini Excavator	70,061
	1	Caterpillar 30 Mini Excavator with Coral Rock Bucket	77,850
Total	7		\$627,744

The City has previously utilized the Florida Sheriff's Association bid to purchase vehicles, and the pricing has been deemed beneficial to the City due to economies of scale. The Procurement Department has reviewed the prices, terms, and conditions of the Florida Sheriff's Association bid and recommends the purchase of the vehicles and equipment.

DISCUSSION: The FY2025 Capital Outlay Budget adopted by the City Commission provides for the purchase of replacement and additional fleet vehicles for the continuation of the City's annual vehicle acquisition program, which is in the tenth year of implementation.

ANALYSIS: Funds totaling \$627,744 will be expended from Account No. 410-55-557-533-000-606440 entitled "Utilities-Water Transmission & Distribution Maintenance-Vehicles Purchase".
