RE: Temp. Reso. No. 7897, approving the award of Invitation for Bids ("IFB") No. 23-019 entitled "Milling and Resurfacing, Sidewalk ADA Upgrades and Drainage Apron Installation BC-MIRAM-FY2020-00002 – Surtax Project"

RECOMMENDATION: The City Manager recommends approval of Temp. Reso. No. 7897, approving the award of Invitation for Bids, ("IFB"), No. 23-019, entitled: "Milling and Resurfacing, Sidewalk ADA Upgrades and Drainage Apron Installation BC-MIRAM-FY2020-00002 – Surtax Project", to Weekley Asphalt Paving, Inc, ("Weekly"), the lowest responsive responsible bidder with a bid amount of \$1,685,871, and allocating a 9 percent construction allowance in the amount of \$151,728 for a total project cost of \$1,837,599; and authorizing the City Manager to execute an appropriate agreement with Weekley Asphalt Paving, Inc.

ISSUE: In accordance with City Code Section 2-412(a)(1), City Commission approval is required for expenditures exceeding \$75,000 by a single City department from the same vendor in a single fiscal year.

BACKGROUND: On September 18, 2018, the City Commission adopted Resolution No. 18-182, approving Transportation System Interlocal Agreement ("ILA") among Broward County, City of Miramar, and the Metropolitan Planning Organization (MPO) to rank municipal projects and determine eligibility for Surtax funding. On November 6, 2018, Broward County voters approved the 30-year, one cent surtax for transportation which took effect on January 1, 2019.

On May 20, 2020, the City Commission adopted Resolution No. 20-120 approving the submission of applications for funding from Broward County Transportation Surtax Mobility Advancement Program ("Cycle 1") for maintenance and rehabilitation projects, specifically milling, pavement, and resurfacing of various roadways throughout the City. Subsequently, on January 25, 2023, the City Commission adopted Resolution No. 23-42 approving an Interlocal Agreement ("ILA") with Broward County for Project Number BC-MIRAM-FY2020-00002 which is Phase 2 of 3 funding requests. The ILA set forth the terms and conditions for the County to provide transportation surtax funding for the maintenance and rehabilitation project and the terms and conditions for the City to complete the Project.

On March 30, 2023, the City's Procurement Department advertised IFB No. 23-019 entitled: "Milling and Resurfacing, Sidewalk ADA Upgrades and Drainage Apron Installation BC-MIRAM-FY2020-00002 – Surtax Project" in a newspaper of general circulation and on Demand Star.

On April 13, 2023, the City conducted a mandatory pre-bid meeting with a total of six (6) firms were in attendance. On May 4, 2023, the date the bids were due, four (4) bid responses were received by the City, as detailed in Attachment "1". The Procurement Department completed its due diligence review and Weekley was determined as the lowest responsive responsible bidder, whose bid is in the best interest of the City, with a bid price of \$1,685,871. A 9 percent construction allowance of \$151,728 is being requested to allow for any unforeseen incidentals for a total project cost of \$1,837,599. In accordance with the requirements of the ILA for surtax funded projects, the City provided the County Attorney with a copy of Weekley's bid and prospective agreement 20 days prior to award of a construction contract. The County has completed its review and deemed the bid and contract acceptable.

DISCUSSION: The resurfacing of various roadway segments, as detailed in Exhibit "C", totaling approximately ten (10) lane miles will be resurfaced. The scope of work includes, but may not be limited to, furnishing all labor, materials, machinery, tools and equipment, services necessary for the street resurfacing, including but not limited to milling, asphaltic concrete pavement overlay, adjustment of surface utilities such as manholes, inlets, gate valves, sidewalk ADA upgrades, concrete drainage aprons, pavement marking, maintenance and protection of traffic, site restoration and all other appurtenant and miscellaneous items and work for a complete, functional and satisfactory installation of the project. The work will be completed in accordance with Broward County ILA and all other applicable current standard specifications.

Since this is a Broward County funded surtax project, a 40 percent CBE participation goal is required. Weekley has contractually agreed to make a good faith effort to meet that requirement. A failure to meet the requirement will result in Weekley paying liquidated damages in an amount equal to 50 percent of the actual dollar amount by which they failed to achieve the commitment, up to a maximum amount of ten (10) percent of the total contract amount excluding costs and reimbursable expenses.

ANALYSIS: Funds totaling \$1,837,598.99 will be expended from CIP Account Nos. 393-50-901-541-000-606510-52022 in the amount of \$1,282,701.79 and 393-50-901-541-000-606510-52063 in the amount of \$554,897.20, entitled: "CIP-Construction".

8.2 TERMINATION - For Convenience - This Agreement may be terminated by City for convenience upon 30 calendar Days’ written notice to Architect. In the event of termination by City, Architect shall be paid for all authorized Services rendered to the date of such termination. The amount payable to Architect in the event of such termination shall be a pro rata amount determined on the basis of the amount and value of the Work performed prior to Architect’s receipt of notice of termination for the applicable Work performed. In exchange for such payment, Architect shall turn over to City all work product which has been paid for by City. Under no circumstances shall City make payment for Services that have not been performed.

8.3 TERMINATION - For Cause - This Agreement may be terminated by either party upon five calendar Days’ written notice to the other should such other party fail substantially to perform in accordance with its material terms through no fault of the party initiating the termination. In the event Architect abandons this Agreement or causes it to be terminated by City, Architect shall indemnify City against loss pertaining to this termination. In the event that City terminates the Agreement for cause, and it is subsequently determined by a court of competent jurisdiction that such termination was without cause, such termination shall thereupon be deemed a termination for convenience under Article 8.2 and the provisions of Article 8.2 shall apply.

ARTICLE 9

DEFAULT

9.1 An event of default shall mean a breach of this Agreement by Contractor. Without limiting the generality of the foregoing and in addition to those instances referred to as a breach, an event of default shall include the following:

- a. Contractor has not performed Services on a timely basis as set forth in the Project Schedule attached as, Exhibit “B”;

- b. Contractor has refused or failed, except in the case for which an extension of time is provided, to supply enough properly skilled staff personnel;
- c. Contractor has failed to make prompt payment to Subcontractors or Suppliers (if any) for any Services;
- d. Contractor has become insolvent or has assigned the proceeds received for the benefit of Contractor's creditors, or Contractor has taken advantage of any insolvency statute or debtor/creditor law or, if Contractor's affairs have been put in the hands of a receiver;
- e. Contractor has failed to obtain the approval of City where required by this Agreement;
- f. Contractor has failed in the honoring of any warranties; or
- g. Contractor has refused or failed, except in the case for which an extension of time is provided, to provide the Services as defined in this Agreement.

9.2 In the event Contractor fails to comply with the provisions of this Agreement, City may declare Contractor in default, notify Contractor in writing, and give Contractor 15 calendar Days to cure the default. If Contractor fails to cure the default, compensation will only be due for any completed professional Services, minus any damages pursuant to Article 8.3. In the event payment has been made for such professional Services not completed, Contractor shall return these sums to City within ten (10) days after notice that these sums are due. Nothing in this Section shall limit City's right to terminate, at any time, pursuant to Article 8 above, and its right for damages under Article 9.3.

9.3 In the event of Default, Contractor shall be liable for all damages resulting from the default, including but not limited to:

- a. Lost funding, and
- b. The difference between the cost associated with procuring services and the amount actually expended by City, including procurement and administrative costs.

9.4 City may take advantage of each and every remedy specifically existing at law or in equity. Each and every remedy shall be in addition to every other remedy specifically given or otherwise existing and may be exercised from time to time as often and in such order as may be deemed expedient by City. The exercise or the beginning of the exercise

of one remedy shall not be deemed to be a waiver of the right to exercise any other remedy. City's rights and remedies as set forth in this Agreement are not exclusive and are in addition to any other rights and remedies available to City at Law or in equity.

ARTICLE 10

LIQUIDATED DAMAGES

City and the Contractor recognize that time is of the essence of this Agreement and that the City will suffer financial loss if the Work is not completed within the time specified herein. They also recognize the delays, expense, and difficulties involved in proving in a legal proceeding the actual loss suffered by the City if the Work is not completed on time. Accordingly, instead of requiring any such proof, the City and the Contractor agree that as liquidated damages for delay (but not as a penalty), the Contractor shall pay the City \$5,000 for each Day that expires after the time specified herein for Substantial Completion until Substantial Completion is achieved, and \$2500 for each calendar Day that expires after the time herein for Final Completion and full acceptance is achieved. Liquidated damages are cumulative.

ARTICLE 11

DELIVERY OF MATERIALS

11.1 Upon receipt of notice of termination under Articles 8 or 9 above, Contractor shall immediately deliver to City all Materials held or used by Contractor in connection with the Services except those Materials, if any, owned by Contractor or supplied by Contractor at Contractor's own cost. If, at the time of termination further sums are due Contractor, Contractor shall not be entitled to sums until all Materials required to be delivered to the City are delivered in electronic format, including any additional format of delivery of Materials requested by the City.

11.2 Upon receipt of notice of termination for any reason, Contractor shall promptly cease all Services, except for additional Services that the City may, in its discretion, request Contractor to perform. Contractor shall perform additional Services with the standard of care as stated in Article 5 above.

ARTICLE 12

- Contractor's Bid;
- Solicitation, General Provisions;
- General Conditions;
- Technical Specifications;

- Drawings.

12.2 There are no Contract Documents other than those listed herein. The Contract Documents may only be amended by written Change Order (if any) as provided in the General Conditions. In the event of any conflict between this Agreement and any other of the Contract Documents, this Agreement and amendments shall govern first and then the other Contract Documents in the order listed above.

ARTICLE 13
ASSIGNMENT

No assignment by the Contractor of any rights or obligations hereunder or interests in the Contract Documents will be binding on the City without the written consent of the City, which may be withheld for any reason, in the City's sole discretion.

ARTICLE 14
APPLICABLE LAW; ACCIDENT PREVENTION AND REGULATIONS

Contractor shall comply with all applicable Laws and Regulations at all times. Precautions shall be exercised at all times for the protection of persons and property. The Contractor and all Subcontractors shall conform to all OSHA, federal, state, county and City Regulations while performing under the terms and conditions of this Agreement. Any

finances levied by the above-mentioned authorities because of inadequacies to comply with these requirements shall be borne solely by the Contractor.

ARTICLE 15

AUDIT AND INSPECTION RIGHTS

15.1 The City may, at reasonable times and for a period of up to three years following the date of Final Completion, audit, or cause to be audited, those books and records of Contractor that are related to Contractor's performance under this Agreement. Contractor agrees to maintain all such books and records at its principal place of business for a period of three years after final payment is made under this Agreement.

15.2 The City may, at reasonable times during the term hereof, inspect Contractor's facilities and perform such inspections as the City deems reasonably necessary to determine whether the Services required to be provided by Contractor under this Agreement conform to the terms hereof and/or the terms of this Agreement. Contractor shall make available to the City all reasonable facilities and assistance to facilitate the performance of inspections by the City's representatives. All inspections shall be subject to, and made in accordance with, all applicable Laws, including but not limited to the provisions of the City Code and the Code of Broward County, Florida, as same may be amended or supplemented from time to time.

15.3 The City may, as deemed necessary, require from the Contractor support and/or documentation for any submission. Upon execution of the Agreement, the Contractor agrees that the City shall have unrestricted access during normal working hours to all Contractor's records relating to this Project, including hard copy as well as electronic records, for a period of three years after Final Completion.

15.4 In accordance with Section 20.055(5) F.S., It is the duty of every state officer, employee, agency, special district, board, commission, contractor, and subcontractor to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant to this section. Beginning July 1, 2015, each contract, bid, proposal, and application or solicitation for a contract shall contain a statement that the corporation, partnership, or person understands and will comply with this subsection.

ARTICLE 16
NON-SOLICITATION

Contractor represents and warrants to the City that it has not employed or retained any person or company employed by the City to solicit or secure this Agreement and that it has not offered to pay, paid, or agreed to pay any person any fee, commission, percentage, brokerage fee, or gift of any kind contingent upon or in connection with, the award or making of this Agreement. For the breach or violation of this provision, the City shall have the right to terminate the Agreement without liability at its discretion, to deduct from the Contract Price, or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.

ARTICLE 17
PUBLIC RECORDS

17.1 The Contractor shall comply with The Florida Public Records Act as follows:

- 17.1.1** Keep and maintain public records in the Contractor's possession or control in connection with the Contractor's performance under this Agreement, that ordinarily and necessarily would be required by the City in order to perform the service.
- 17.1.2** Upon request by the City's records custodian, provide the City with a copy of requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
- 17.1.3** Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement, and following completion of this Agreement until the records are transferred to the City.
- 17.1.4** Upon completion of this Agreement or in the event of termination of this Agreement by either party, any and all public records relating to this Agreement in the possession of the Contractor shall be delivered by the Contractor to the City, at no cost to the City, within seven (7)

days. All records stored electronically by the Contractor shall be delivered to the City in a format that is compatible with the City's information technology systems. Once the public records have been delivered to City upon completion or termination of this Agreement, the Contractor shall destroy any and all duplicate public records that are exempt or confidential and exempt from public record disclosure requirements.

17.1.5 The Contractor's failure or refusal to comply with the provisions of this Section shall result in the immediate termination of this Agreement by the City.

17.1.6 IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 954-602-3011, dagibbs@miramarfl.gov OR BY MAIL: City Of Miramar – City Clerk's Office, 2300 Civic Center Place, Miramar, FL 33025.

ARTICLE 18

COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

18.1 Contractor understands that agreements between private entities and local governments are subject to certain Laws and Regulations, including, by example and not limited to, Laws pertaining to public records, conflict of interest, and record keeping. Contractor agrees to comply with and observe all applicable Laws, codes and ordinance as they may be amended from time to time.

18.2 The Contractor agrees that it shall not make any statements, press releases or publicity releases concerning this Agreement or its subject matter or otherwise disclose or permit to be disclosed any of the data or other information obtained or furnished in compliance with this Agreement, or any particulars thereof, during the period of the Agreement, without first notifying the City and securing prior written consent, unless and except otherwise required by Law. The Contractor also agrees that it shall not publish,

copyright or patent any of the data developed under this Agreement, it being understood that such data or information are works made for hire and the property of the City.

18.3 The knowing employment by Contractor or its Subcontractors or Subconsultants of any alien not authorized to work by the immigration Laws or the Attorney General of the United States is prohibited and shall be a default of this Agreement.

ARTICLE 19

CERTIFICATE OF COMPETENCY

Contractor shall, at the time of executing this Agreement, hold a valid certificate of competency or applicable license for providing the Services, if applicable, issued by the federal, state, or county examining board qualifying the Contractor to perform the Work. If a Subcontractor(s) or Subconsultant(s) is employed, an applicable certificate of competency or license issued to the Subcontractor(s) or Subconsultant(s) shall be submitted along with Contractor's certificate or license upon execution of this Agreement; provided, however, that the City may, at its sole option, upon written approval to Contractor, and in its best interest, allow Contractor to supply the certificate(s) to the City during the first week of Work or Services.

ARTICLE 20

INSURANCE

20.1 Contractor shall maintain the following required types and minimum limits of insurance coverage during the term of the Agreement. The Contractor shall furnish the City's Risk Manager, at 2300 Civic Center Place, Miramar, Florida 33025, with certificates of insurance and all required endorsements indicating that insurance coverage has been obtained and meets the requirements below:

- a) Comprehensive General Liability Insurance on a comprehensive basis in an amount not less than \$1,000,000 per occurrence. The City **must** be shown as an additional insured and with waiver of subrogation in its favor on both endorsements.

 - i. The company must be rated no less than "A" as a management, and no less than "Class VII" as to financial strength, by the latest edition of Best's Key Rating Guide.

20.2 This Agreement shall not be deemed approved until the Contractor has obtained all insurance requirements under this section and has supplied the City with evidence of such coverage in the form of a Certificate of Insurance and endorsement. The City shall be named as the certificate holder and an additional insured on all certificates. All liability insurance policies shall have endorsements adding the City of Miramar as an additional insured, a waiver of subrogation in favor of the City and a separate endorsement for automobile liability. Insurance shall be maintained continuously during the term of the Contract up to the date of Final Completion, but the Contractor's liabilities under this Agreement shall not be deemed limited in any way to the insurance coverage required.

20.3 Insurance shall be maintained continuously during the term of the Contract up to the date of Final Completion, but the Contractor's liabilities under this Agreement shall not be deemed limited in any way to the insurance coverage required. All policies of insurance so required to be purchased and maintained shall contain a provision of endorsement that the coverage afforded shall not be cancelled, materially changed or renewal refused until at least 30 calendar days' written notice has been given to the City by certified mail.

ARTICLE 21

INDEPENDENT CONTRACTOR

Contractor has been procured and is being engaged to provide Services to the City as an independent contractor, and not as an agent or employee of the City. The Contractor will be responsible for planning all the work without the assistance of City staff. Accordingly, Contractor shall not attain nor be entitled to any rights or benefits of the City, nor any rights generally afforded, classified or unclassified, employees of the City. Contractor further understands that Florida Workers' Compensation benefits available to employees of the City are not available to Contractor, and agrees to provide workers' compensation insurance for any employee or agent of Contractor rendering Services to the City under this Agreement.

ARTICLE 22

REAFFIRMATION OF REPRESENTATIONS

Contractor reaffirms all of the representations contained in the Solicitation documents and previously made in all Contract Documents.

ARTICLE 23

Contractor further covenants that no otherwise qualified individual shall, solely by reason of his/her sex, race, color, ethnic or national origin, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other legally prohibited basis, or any other factor which cannot be lawfully used as a basis for Service delivery, be excluded from participation in, be denied any Services, or be subject to discrimination under any provision of the General Conditions.

ARTICLE 24

COSTS AND ATTORNEY FEES

If either City or Contractor is required to enforce the terms of this Agreement by court proceedings or otherwise, whether or not formal legal action is required, the prevailing party shall be entitled to recover from the other party all such costs and expenses, including but not limited to court costs and reasonable attorney's fees.

ARTICLE 25

COUNTERPARTS

This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute one and the same Agreement.

ARTICLE 26

WAIVER

The waiver by either party of any failure on the part of the other party to perform in accordance with any of the terms or conditions of this Agreement shall not be construed as a waiver of any future or continuing similar or dissimilar failure. No waiver shall be effective unless made in writing.

ARTICLE 27

BINDING AUTHORITY

Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement. This Agreement shall be binding upon the parties hereto, their heirs, executors, legal representatives, successors, or assigns.

ARTICLE 29

CITY'S OWN FORCES

29.1 The City reserves the right to perform operations related to the Project with the City's own forces, and to award contracts in connection with the Project which are not part of the Contractor's responsibilities under this Agreement.

29.2 The City will have the right to inspect and conduct periodic inspections of the Work and/or Materials to determine compliance with the requirements of the Contract. Any Work and/or Materials rejected by the City for non-compliance shall be replaced and/or corrected at the Contractor's expense. Failure to reject Defective Work and/or Materials, whether from lack of discovery of such defect or for any other reason, will not relieve the Contractor from responsibility to complete the Work in full compliance with all

Contract requirements and shall in no way prevent later rejection of such Defective Work when discovered.

ARTICLE 30

LIMITATION OF LIABILITY

30.1 The City desires to enter into this Agreement only if in so doing the City can place a limit on City's liability for any cause of action for money damages due to an alleged breach by the City of this Agreement, so that its liability for any such breach never exceeds the fee paid to Contractor herein, less any sums paid by the City. Contractor hereby expresses its willingness to enter into this Agreement with Contractor's recovery from the City for any damage action for breach of contract to be limited to a maximum fee paid to Contractor herein, less any sums paid by the City.

30.2 Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor agrees that the City shall not be liable to Contractor for damages in an amount in excess of the fee paid to the Contractor herein, less any sums paid by the City, for any action or claim for breach of contract arising out of the performance or non-performance of any obligations imposed upon the City by this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon the City's liability as set forth in Section 768.28, Florida Statutes.

30.3 In no event shall either party be liable for any indirect, incidental, special, or consequential damages, including, without limitation, loss of profits, revenue, or use incurred by either party or any third party, whether in an action in contract or tort, even if the other party or any other person has been advised of the possibility of such damages.

ARTICLE 31

THIRD PARTY BENEFICIARY

It is specifically agreed to between the City and Contractor executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

ARTICLE 32

WARRANTY AND GUARANTEE

32.1 Architect warrants that its Services are to be performed within the limits prescribed by City and with the usual thoroughness and competence of Architect's profession. Architect shall be responsible for technically deficient designs, reports or studies due to errors and omissions directly related to the Services provided by Architect pursuant to this Agreement for four years after the date of acceptance of the Services by City. Architect shall, upon the request of City, promptly correct or replace all Defective Work due to errors or omissions directly related to the Services provided by Architect pursuant to this Agreement at no cost to the City.

32.2 Contractor's compensation under this Agreement is based upon its representations to City, and Contractor certifies that the wage rates, factual unit costs, and other information supplied to substantiate Contractor's compensation, including, without limitation, in the negotiation of this Agreement, are accurate, complete, and current as of the date Contractor executes this Agreement. Contractor's compensation will be reduced to exclude any significant sums by which the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs.

32.3 Unless this Agreement is exempt from the provisions of the Broward County Domestic Partnership Act, Section 16½-157, Broward County Code of Ordinances, Contractor certifies and represents that it will comply with the provisions of Section 16½-157 for the duration of this Agreement. The contract language referenced in Section 16½-157 is deemed incorporated in this Agreement as though fully set forth in this section.

ARTICLE 33

HEADINGS AND INTERPRETATION

Title and paragraph headings are for convenient reference and are not a part of this Agreement. Contractor has been given an opportunity for counsel of its choice to review this Agreement. Accordingly, no party shall be deemed to have any benefit as the drafter of the document for interpretation purposes.

ARTICLE 34
SEVERABILITY

34.1 Should any provision, paragraph, sentence, word or phrase contained in this Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable under any applicable Law, such provision, paragraph, sentence, word or phrase shall be deemed modified to the extent necessary in order to conform with such Laws, or if not modifiable, then same shall be deemed severable, and in either event, the remaining terms and provisions of this Agreement shall remain unmodified and in full force and effect for limitation of its use.

34.2 City and Contractor each binds itself, its partners, successors, assign and legal representatives to the other party hereto, its partners, successors, assign and legal representatives in respect of all covenants, agreements and obligations contained in this Agreement and in all the Contract Documents.

ARTICLE 35
SCRUTINIZED COMPANIES

35.1 Contractor certifies that it and its subcontractors are not on the Scrutinized Companies that Boycott Israel List. Pursuant to Section 287.135, F.S., the City may immediately terminate this Agreement at its sole option if the Contractor or its subcontractors are found to have submitted a false certification; or if the Contractor, or its subcontractors are placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

35.2 If this Agreement is for more than one million dollars, the Contractor certifies that it and its subcontractors are also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in Section 287.135, F.S. Pursuant to Section 287.135, F.S., the City may immediately terminate this Agreement at its sole option if the Contractor, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Contractor, its affiliates, or its subcontractors are placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

35.3 The Contractor agrees to observe the above requirements for applicable subcontracts entered into for the performance of work under this Agreement.

35.4 As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize the above-stated contracting prohibitions then they shall become inoperative.

ARTICLE 36

CONFLICT-OF-INTEREST

36.1 To avoid any conflicts of interest, or any appearance thereof, Contractor, for the term of this Agreement, agrees that it will not represent any private sector entities (including but not limited to developers, corporations, real estate investors, etc.) in Miramar, Florida, without notifying the City of the services to be performed. If after such notification the City reasonably determines that a material conflict exists, Contractor will not perform such conflicting Work. The conditions and requirements of this paragraph will also apply to any SubContractors utilized by Contractor in completion of the Work tasks under this Agreement.

36.2 Furthermore, Contractor covenants that no person under its employ who presently exercises any functions or responsibilities on behalf of the City in connection with this Agreement has any personal financial interest, direct or indirect, with contractors or vendors providing professional services on projects assigned to Contractor, except as fully disclosed and approved by the City. Contractor further covenants that, in the performance of this Agreement, no person having such conflicting interest shall be employed. Any such interest on the part of Contractor or its employees must be disclosed in writing to the City.

ARTICLE 37

VENUE AND JURISDICTION

This Agreement shall be construed and enforced according to the Laws of the State of Florida. The parties submit to the jurisdiction of any Florida state or federal court in any action or proceeding arising out of or relating to this Agreement. Venue for any action arising out of this Agreement shall be in Broward County, Florida.

ARTICLE 38
SURVIVAL OF PROVISIONS

Any terms or conditions of this Agreement that require acts beyond the date of its termination shall survive the termination of this Agreement, shall remain in full force and effect unless and until the terms or conditions are completed, and shall be fully enforceable by either party.

ARTICLE 39
E-VERIFY PROGRAM

In accordance with Florida Statutes §448.095, the Contractor, prior to commencement of services or payment by the City, will provide to the City proof of participation/enrollment in the E-Verify system of the Department of Homeland Security. Evidence of participation/enrollment will be a printout of the Company's "Company Profile" page from the E-Verify system. Failure to be continually enrolled and participating in the E-Verify program will be a breach of contract which will be grounds for immediate termination of the contract by the City. The Contractor will not hire any employee who has not been vetted through E-Verify. The Contractor may not subcontract any work for the City to any subcontractor that has not provided an affidavit stating that the subcontractor does not employ, contract with or subcontract with an unauthorized alien."

ARTICLE 40
EQUITABLE ADJUSTMENT

The City may, in its sole discretion, make an equitable adjustment in the Contract Terms and conditions and/or pricing. If pricing or availability of supply is affected by extreme or unforeseen volatility in the marketplace that satisfy all the following criteria: 1) the volatility is due to causes wholly beyond the Contractor's control; 2) the volatility affects the marketplace or industry, not just the particular Contractor's source of supply; 3) the effect on pricing or availability of supply is substantial; and 4) the volatility so affects the Contractor that continued performance of the Contract would result in substantial loss. Any adjustment would require irrefutable evidence and written approval by the Director of Purchasing Services.

ARTICLE 41

EQUAL EMPLOYMENT OPPORTUNITY AND CBE COMPLIANCE

41.1 No Party may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement. Contractor shall include the foregoing or similar language in its contracts with any Subcontractors, except that any project assisted by the U.S. Department of Transportation funds shall comply with the nondiscrimination requirements in 49 C.F.R. Parts 23 and 26.

41.2 Contractor shall comply with all applicable requirements of Section 1-81, Broward County Code of Ordinances, in the award and administration of this Agreement. Failure by Contractor to carry out any of the requirements of this article shall constitute a material breach of this Agreement, which shall permit City to terminate this Agreement or exercise any other remedy provided under this Agreement, the Broward County Code of Ordinances, the Broward County Administrative Code, or under other applicable law, all such remedies being cumulative.

41.3 Contractor must meet or exceed the required CBE goal by utilizing the CBE firms listed in Exhibit "A" of the Addendum (or a CBE firm substituted for a listed firm, if permitted) for thirty percent (30%) of total Services under this Agreement (the "Commitment") for the scope of the work and the percentage of work amounts identified on each Letter of Intent. Promptly upon execution of this Agreement by Municipality, Contractor shall enter into formal contracts with the CBE firms listed in Exhibit "A" of the Addendum and, upon request, shall provide copies of the contracts to the Contract Administrator and OESBD.

41.4 Each CBE firm utilized by Contractor to meet the CBE goal must be certified by OESBD. Contractor shall inform City immediately when a CBE firm is not able to perform or if Contractor believes the CBE firm should be replaced for any other reason, so that OESBD may review and verify the good faith efforts of Contractor to substitute the CBE firm with another CBE firm. Whenever a CBE firm is terminated for any reason, Contractor shall provide written notice to OESBD and, upon written approval of the Director of OESBD, shall substitute another CBE firm in order to meet the CBE goal, unless otherwise provided in this Agreement or agreed in writing by the Parties. Such

substitution shall not be required in the event the termination results from modification of the Scope of Services and no CBE firm is available to perform the modified Scope of Services; in which event Contractor shall notify OESBD, and OESBD may adjust the CBE goal by written notice to Contractor. Contractor shall not terminate a CBE firm for convenience without OESBD's prior written consent, which consent shall not be unreasonably withheld.

41.5 The Parties stipulate that if Contractor fails to meet the Commitment, the damages to City arising from such failure are not readily ascertainable at the time of contracting. If Contractor fails to meet the Commitment and Broward County determines, in the sole discretion of the OESBD Program Director, that Contractor failed to make Good Faith Efforts (as defined in Section 1-81, Broward County Code of Ordinances) to meet the Commitment, Contractor shall pay City liquidated damages in an amount equal to fifty percent (50%) of the actual dollar amount by which Contractor failed to achieve the Commitment, up to a maximum amount of ten percent (10%) of the total contract amount, excluding costs and reimbursable expenses. An example of this calculation is stated in Section 1-81.7, Broward County Code of Ordinances. As elected by City, such liquidated damages amount shall be either credited against any amounts due from City, or must be paid to City within thirty (30) days after written demand. These liquidated damages shall be City's sole contractual remedy for Contractor's breach of the Commitment, but shall not affect the availability of administrative remedies under Section 1-81. Any failure to meet the Commitment attributable solely to force majeure, changes to the scope of work by City, or inability to substitute a CBE Subcontractor where the OESBD Program Director has determined that such inability is due to no fault of Contractor, shall not be deemed a failure by Contractor to meet the Commitment.

41.6 Contractor acknowledges that OESBD may make minor administrative modifications to Section 1-81, Broward County Code of Ordinances, which shall become applicable to this Agreement if the administrative modifications are not unreasonable. Written notice of any such modification shall be provided to Contractor and shall include a deadline for Contractor to notify City in writing if Contractor concludes that the modification exceeds the authority under this section. Failure of Contractor to timely notify

City of its conclusion that the modification exceeds such authority shall be deemed acceptance of the modification by Contractor.

41.7 OESBD may modify the required participation of CBE firms under this Agreement in connection with any amendment, extension, modification, change order, or Work Authorization to this Agreement that, by itself or aggregated with previous amendments, extensions, modifications, change orders, or Work Authorizations, increases the initial Agreement price by ten percent (10%) or more. Contractor shall make a good faith effort to include CBE firms in work resulting from any such amendment, extension, modification, change order, or Work Authorization, and shall report such efforts, along with evidence thereof, to OESBD.

41.8 No later than ten (10) business days after the end of the month, Contractor shall provide written monthly reports to the Contract Administrator and to the OESBD Director attesting to Contractor's compliance with the Commitment. In addition, Contractor shall allow Municipality and OESBD to engage in onsite reviews to monitor Contractor's progress in achieving and maintaining the Commitment. The Contract Administrator in conjunction with OESBD shall perform such review and monitoring. The presence of a "pay when paid" provision in a Contractor's contract with a CBE firm shall not preclude City or its representatives from inquiring into allegations of nonpayment or exercising any right stated in the IFB.

4. I understand that an "affiliate" as defined in Section 287.133(1)(a), Florida Statutes means:

5. I understand that a "person" as defined in Section 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bids on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.
6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement (Indicate which statement applies).

☒ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

☐ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

☐ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list (attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
