# CITY OF MIRAMAR INTEROFFICE MEMORANDUM 

TO: Mayor, Vice Mayor, \& City Commissioners
FROM: Vernon E. Hargray, Interim City Manager $\rightleftarrows>$ to UH
BY: $\quad$ Randy Cross, Interim Human Resources Director
DATE: October 30, 2018
RE: Temp. Reso. 6837, approving a Comprehensive Pay Plan for Fiscal Year 2019

RECOMMENDATION: The Interim City Manager recommends approval for Temp. Reso. No. 6837, approving a Comprehensive Pay Plan ("CPP") for Fiscal Year 2019 ("FY2019").

ISSUE: City Commission approval is required to adopt the CPP for FY2019.
BACKGROUND: The City Commission annually approves a CPP to establish salary and incentive parameters for the City's unrepresented employees. Benefits and salary changes for $63 \%$ of the City's employees are approved in collective bargaining agreements with the City's three unions. For the remaining approximately $37 \%$ employees (i.e., unrepresented professional, managerial and supervisory staff), the CPP determines any changes in compensation.

The CPP for Fiscal Year 2018 ("FY 2018") was approved by the City Commission to be in effect from October 1, 2017 through September 30, 2018. The proposed CPP is for FY2019 with accompanying salary schedules for City employees, attached as Exhibit "A." The FY2019 CPP applies only to City employees and does not address Elected Officials.

The following are the changes in the proposed FY2019 CPP, resulting in a total annual savings of $\$ 142,180$.

## 1. Section 5- Annual Salary and Salary Range Adjustment

For FY19, all Unrepresented Employees, excluding Commission Staff (i.e., Regular Employees and Part-time Employees), who are employed by the City as of the effective date of this Pay Plan will not receive any Cost of Living Adjustment ("COLA") or merit increases impacting base pay.

All Employees at the level of Deputy/ Assistant Director and below shall receive a one-time, lump sum payment of $2 \%$ of his/her base annual pay, effective on his/her current anniversary date, provided that the employee's performance was satisfactory, as indicated on a fully executed annual performance evaluation. If the employee did not demonstrate satisfactory performance, no lump sum payment will be issued.

## 2. Section 6- Pay Plan and Salary Ranges

Salary ranges have been consolidated and broad-banded, as represented in Salary Schedule "A". For employees whose current salary level is below the minimum level in the assigned range, the salary level will be increased to the minimum of the range. Employees between the range minimum and maximum may be moved through the range based on established criteria determined to be of value to the City.

For employees with current salary levels exceeding the maximum level in the assigned range, the salary will be frozen (red-lined) at that level, and the employee will be ineligible for any merit or cost of living increases to base salary until the maximum of the range is adjusted to allow movement. At the City Manager's discretion, and if approved in a CPP, red-lined employees may receive a lump sum payment instead of a COLA.

## 3. Section 7-Provisions for Senior Managers

Employees who are in the following classifications: City Manager's Senior Executive Staff (including all Assistant City Managers, Chief of Staff, Chief Financial Officer, Chief Operations Officer, the City Strategic Development Officer, Business Inclusion Diversity Officer), Department Directors, Deputy and Assistant Directors, who contribute at least $3 \%$ of their annual salary to a 457 or 401a Plan, will have their contributions matched by the City with a $6 \%$ contribution. Employees in other classifications not listed above who contribute at least 3\% of their annual salary to a 457 or 401a Plan, will have their contributions matched by the City will match with a $3 \%$ contribution.

## SECTION 1. ESTABLISHMENT

There is hereby established a Comprehensive Pay Plan ("Pay Plan") for the City of Miramar (the "City") for Fiscal Year 2019 (i.e., October 1, 2018 through September 30, 2019) ("FY19") pertaining to all classes of job positions included in the attached Schedules I and II, those job positions not specified elsewhere in existing negotiated collective bargaining agreements. All references to Regular Employees in this document refer to unrepresented Full Time employees/positions as outlined herein except for Parttime Employees identified in Section 11 and Schedule II. All references to "All Employees" refer to Regular Employees and Part-time Employees.

## SECTION 2. COMPOSITION OF SALARY RANGES GENERALLY

The Pay Plan shall establish a salary range for each position of employment for Regular Employees and hourly rates for all Part-time Employees in the City of Miramar.

## SECTION 3. MINIMUM ENTRANCE SALARY

Regular and Part-time Employees shall be paid a minimum Living Wage in accordance with Ordinance 16-20 approved by the City of Miramar Commission in FY15. For pay purposes, the Living Wage for FY19 shall be set at $\$ 12.50$ per hour. The City Manager may amend the salary schedules within the fiscal year because of changes in any relevant final orders from the Public Employment Relations Commission regarding bargaining unit clarifications, or for reasons of salary equity, compression and appropriate position classification.

The minimum rate of pay for each Regular and Part-time job position shall be paid to an employee upon original appointment to the City unless there are extraordinary circumstances warranting employment at a higher rate of pay such as extensive relevant experience, difficult to hire skill sets, advanced credentials or certifications, or demonstrated difficulty hiring and/or retaining employees in a particular field or discipline. In such cases, the City Manager may authorize the Director of Human Resources to approve a higher salary rate so long as sufficient funds are available in the budget.

## SECTION 4. ALL EMPLOYEES COMPENSATION PHILOSOPHY

Salaries and benefits for All Employees in the City will be maintained in a reasonable, innovative and competitive manner in relation to the City's recruitment and retention needs. Notwithstanding the above, salary and benefit increases or reductions for All Employees will be in accordance with the expenditure assumptions included in the City's overall financial business plan.

## SECTION 5. ANNUAL SALARY AND SALARY RANGE ADJUSTMENT

For FY19, all Unrepresented Employees, excluding Commission Staff (i.e., Regular Employees and Part-time Employees), who are employed by the City as of the effective date of this Pay Plan will not receive any Cost of Living Adjustment ("COLA") or merit increases impacting base pay.

All Employees at the level of Deputy/ Assistant Director and below shall receive a onetime, lump sum payment of $2 \%$ of his/her base annual pay, effective on his/her current anniversary date, provided that the employee's performance was satisfactory, as indicated on a fully executed annual performance evaluation. If the employee did not demonstrate satisfactory performance, no lump sum payment will be issued.

## SECTION 6. PAY PLAN AND SALARY RANGES

Salary ranges have been consolidated and broad-banded, as represented in Salary Schedule "A". For employees whose current salary level is below the minimum level in the assigned range, the salary level will be increased to the minimum of the range. Employees between the range minimum and maximum may be moved through the range based on established criteria determined to be of value to the City.

For employees with current salary levels exceeding the maximum level in the assigned range, the salary will be frozen (red-lined) at that level, and the employee will be ineligible for any merit or cost of living increases to base salary until the maximum of the range is adjusted to allow movement. At the City Manager's discretion, red-lined employees may receive a lump sum payment instead of a COLA.

Salary range maximum for Department Directors shall be at least 10\% higher than the salary range maximum of their next lower ranked subordinates.

## SECTION 7. PROVISIONS FOR SENIOR MANAGERS

Effective July 1, 2010 and for All Employees, the City may, in the sole discretion of the City Manager, cease its contribution of any percentage of the annual salary of its employees to an authorized Deferred Compensation Plan (i.e., 457 or 401a Plans) and/or other approved tax deferred program into which contributions are made on a pre-tax basis, and earnings accrue on a tax deferred basis. If the City Manager exercises such discretion, these Deferred Compensation Plans and/or other approved tax deferred programs only shall be funded by employee contributions. Notwithstanding the preceding, employees who are in the following classifications: City Manager's Senior Executive Staff (including all Assistant City Managers, Chief of Staff, Chief Financial Officer, Chief Operations Officer, the City Strategic Development Officer, Business Inclusion Diversity Officer), Department Directors, Deputy and Assistant Directors, who contribute at least $3 \%$ of their annual salary to a 457 or 401a Plan, will have their contributions matched by the City with a $6 \%$ contribution. Employees in other classifications not listed above who contribute at least $3 \%$ of their annual salary to a 457 or 401a Plan, will have their contributions matched by the City will match with a $3 \%$ contribution.

## SECTION 8. PERFORMANCE MANAGEMENT

A. Regular Employees who are not members of any collective bargaining unit will be evaluated at least annually. This process will not affect the employment and/or promotion anniversary dates of such employees. Failure by the City to conduct an annual job evaluation will not alter the terms or conditions of this Pay Plan.
B. Regular Employees covered by the Civil Service system who have not completed their initial probationary period will receive their evaluation on their one-year anniversary date.
C. All Employees whose performance is considered by the City Manager to be "Below Satisfactory" or "Unsatisfactory", may be required to enter into an Action Plan or Performance Improvement Plan developed by the senior management of their department to improve their performance. At the end of not more than six months (180 days), they may receive a Special Evaluation. This in no way, however, changes the "at will" employment status of non-civil service employees.

## SECTION 9. PROMOTIONS \& ADJUSTMENTS

A. A promoted employee shall receive a $7.5 \%$ increase over their present salary, or the minimum pay rate for the new classification, whichever is higher. This increase shall establish the employee's new annual salary. Salary compression issues will be assessed on a case-by-case basis. Promotional increases greater than 7.5\% and above the minimum of the new salary range, can be granted when the promoted employee demonstrates a high competency for the new position or other factors such as prior performance, tenure, market demands, education/certifications, etc. Any increase above the $7.5 \%$, requires the approval of the City Manager or his/her designee.
B. A promoted employee covered by the City's Civil Service system shall serve a sixmonth probationary period in the new job classification. At the end of the probationary period, the employee shall receive a performance evaluation. If the probationary period has been completed successfully, a new anniversary date will be established based on the date of promotion. If the employee does not successfully complete the probationary period, as determined by the City, he/she may, upon the City Manager or his/her Designee's approval, be granted a probationary extension, not to exceed 60 days. If the City Manager or his/her Designee denies an extension, the employee shall be demoted to his/her previous classification and their salary shall be reduced by $10 \%$ or to the top of the new salary grade. The probationary evaluation will not contain a salary increase. If an employee is promoted within their first year of service with the City, their probationary period is extended to the end of the six-month promotional probation, or to the end of the employee's one year anniversary, whichever is longer.
C. An employee who is temporarily promoted to a higher classification due to resignation, termination or promotion of the employee occupying that higher classification, shall receive a retroactive (to the effective date of the promotion)
$7.5 \%$ salary increase, or the minimum pay rate for the new classification, whichever is higher, for the entire period of time that the employee works in that higher classification, provided that the promoted individual is in the position for 30 days or more. This type of promotion will ordinarily occur during the process for filling the vacated position.
D. Notwithstanding the above, the City Manager or his/her Designee shall have the sole discretion to authorize a salary adjustment to address issues of retention, recruitment, salary compression, reorganization or for other job-related reasons as prescribed by City policy, which is based on industry bench market standards.
E. The City Manager is authorized to make and approve changes in salary grades and/or benefits for All Employees throughout the City to prevent salary grade compaction or to insure that relative salary range equity and benefits are maintained.

## SECTION 10. BLOCK BUDGETING

B. Said appointment shall be renewable for one additional appointment period only, provided, however, that all budgeted employment position funds, minus any monies required to be expended for the support of temporary appointments authorized above, shall be adequate to meet all employment and payroll related expenses for the balance of the renewed contract or funds are available within the departmental activity budget that contains the designated position.

## SECTION 14. POST-EMPLOYMENT HEALTH INSURANCE BENEFITS

Details and forms are available in the Human Resource Department.

Within the context of the Education Assistance Program, the City shall reimburse eligible employees, up to the maximum amount set forth above, as follows:

D. Employees shall request preapproval under this Program by submitting the appropriate form to the Department Director. Once the Department Director approves, the form is sent to the Director of Human Resources for review, approval and processing. Employees must pay for their own tuition for which the City will reimburse after approval as outlined above upon the successful completion of each
course and supply such proof of attending the course. Papers required for verification shall be a payment receipt and a report of grades received. Reimbursement requests must be timely and submitted to the Human Resources Department within 30 days of the completion of coursework each period.
E. If an employee voluntarily terminates his/her employment with the City within one year following the completion of any eligible educational program under Section 1 or license fees or tuition costs for training under Section 3, for which such employee has received a refund, then the amount refunded in the prior 12 months shall be repaid by the employee immediately. The amount of any such reimbursement shall be deducted from the employee's final paycheck, in the event that the employee fails to reimburse the City as provided above, and requires the services of any attorney to collect any of said amounts, such attorney's fees and court fees will be added to the amounts owed by the employee to the City.

Regular Employees hired into PBL eligible positions or promoted from a non-PBL eligible position into a PBL eligible position between April 1st and June 30th, will have 40 hours credited to their leave balance.
