

**CITY OF MIRAMAR
PROPOSED CITY COMMISSION AGENDA ITEM**

Meeting Date: May 15, 2019

Presenter's Name and Title: Bissy Vempala, City Engineer, on behalf Engineering Services

Temp. Reso. Number: 6947

Item Description: Temp. Reso. No. R6947, ENDORSING THE FLORIDA DEPARTMENT OF TRANSPORTATION PEMBROKE PINES/MIRAMAR MOBILITY IMPROVEMENTS PROJECT NO. 431770-4 WITHIN THE CITY OF MIRAMAR'S RIGHT-OF-WAY ALONG DYKES ROAD AND REQUESTING FDOT INCORPORATE THE EXTENSION OF THE EASTBOUND TURN LANE ALONG MIRAMAR PARKWAY FROM DYKES ROAD (City Engineer Bissy Vempala)

Consent ☒ Resolution ☐ Ordinance ☐ Quasi-Judicial ☐ Public Hearing ☐

Instructions for the Office of the City Clerk: None.

Public Notice – As Required by the Sec. _____ of the City Code and/or Sec. _____, Florida Statutes, public notice for this item was provided as follows: on _____, in a _____ ad in the _____; by the posting the property on _____ and/or by sending mailed notice to property owners within _____ feet of the property on _____. (Fill in all that apply)

Special Voting Requirement – As required by Sec. _____, of the City Code and/or Sec. _____ Florida Statutes, approval of this item requires a _____ (unanimous 4/5ths etc. vote of the City Commission.

Fiscal Impact: Yes ☒ No ☐

The City must commit to provide local funding for the construction cost of extension of the eastbound turn lane along Miramar Parkway from Dykes Road for the I-75 on-ramp. The estimated cost for the construction of this improvement is \$280,000. FDOT anticipates the construction of this project to begin in FY 22; therefore, the City will need to adopt a new CIP project in the FY 20-24 five-year plan with funding identified in the FY 21 CIP budget.

**CITY OF MIRAMAR
INTEROFFICE MEMORANDUM**

TO: Mayor, Vice Mayor, & City Commissioners

FROM:  Vernon E. Hargray, City Manager 

BY: Bissy Vempala, City Engineer

DATE: May 9, 2019

RE: Temp. Reso. No. R6947, endorsing the Florida Department of Transportation Pembroke Pines/Miramar Mobility Improvements Project No. 431770-4 within the City of Miramar's right-of-way along Dykes road and requesting FDOT to incorporate the extension of the eastbound turn lane along Miramar Parkway from Dykes Road

RECOMMENDATION: The City Manager recommends approval of Temp. Reso. No. R6947, endorsing the Florida Department of Transportation ("FDOT") Pembroke Pines/Miramar Mobility Improvements Project No. 431770-4 (the "Project") within the City of Miramar's right-of-way along Dykes Road.

ISSUE: City's support and endorsement is required for FDOT's Project within the City of Miramar's right-of-way along Dykes Road.

BACKGROUND: On October 7, 2015, the City of Miramar Commission adopted Resolution No. 16-01, expressing support to the Broward Metropolitan Planning Organization ("MPO") for construction of bicycle lanes along Dykes Road. The MPO obtained federal funding to be appropriated towards mobility enhancement projects, including Project. A portion of the Project falls within the City's jurisdictional right-of-way along Dykes Road between Pembroke Road and Bass Creek Road. The scope of the project within the City's right-of-way includes the design and construction of buffered bike lanes (4' wide bicycle lane with 2' buffer) on both sides of Dykes Road.

The City is requesting FDOT to incorporate the extension of the eastbound turn lane along Miramar Parkway from Dykes Road for the I-75 on-ramp into this Project. The extension of this turn lane will help alleviate the traffic congestion at the intersection of Dykes Road and Miramar Parkway in the morning peak time. This improvement will also complement the northbound right turn lane along Dykes Road that is to be constructed by Lennar Homes in the near future.

FDOT will be responsible for the Project, which includes the necessary design, construction, and project management services. The City must endorse FDOT's Project for the portion that lies within the City's jurisdictional right-of-way. In addition, the City must commit to provide local funding for the construction cost of the extension of the eastbound turn lane along Miramar Parkway for the I-75 on-ramp. In the future, the City will be required to enter into a Locally Funded Agreement with FDOT, defining the scope and establishing the funding responsibilities for this additional improvement. The estimated cost for the construction of this improvement is \$280,000. FDOT anticipates the construction of this project to begin in FY 22; therefore, the City need to include funding for this project in FY 21 CIP budget.

The Project Manager for this Project is Bissy Vempala, City Engineer.
