INTEROFFICE MEMORANDUM**

TO: Mayor, Vice Mayor, & City Commissioners

FROM: Vernon E. Hargray, City Manager 

BY: Katrina Davenport, Director of Community Services

DATE: October 31, 2019

RE: Temp. Reso. No. R7036; authorizing acceptance of grant funding from the Areawide Council on Aging of Broward County, Inc.

RECOMMENDATION: The City Manager recommends approval of Temp. Reso. No. 7036, for the acceptance of \$646,184.77 in grant funding from the Areawide Council on Aging of Broward County, Inc. (the "Council") and approving and authorizing execution of the related grant agreement.

ISSUE: City Commission approval is required in order to accept grant funds and authorize execution of the grant agreement.

BACKGROUND: The City has received senior center funding from the Council for the past 39 years. In July 2019, the Social Services Department responded to a competitive one-year bid with a possible three-year extension, and was awarded funding from the Council to provide counseling, caregiver and health support, recreation, and transportation services. This award provides for continuation of the designation as the Southcentral/Southeast Focal Point Senior Center, one of four Focal Points in Broward County servicing residents age 60 and over, and providing a full gamut of senior and social services programs.

The exhibits to the resolution provide for the acceptance of grant funding, JA120-05-2020, to provide services for the period January 1, 2020 to December 31, 2020 (Exhibit A). This grant requires a \$29,044 match from the City, which will be satisfied through in-kind transportation services.

3.6 Remedies-Nonconforming Services

The Contractor shall ensure that all goods and/or services provided under this Contract are delivered timely, completely, and commensurate with required standards of quality. Such goods and/or services will only be delivered to eligible program participants.

If the Contractor fails to meet the prescribed quality standards for services, such services will not be reimbursed under this Contract. In addition, any nonconforming goods (including home delivered meals) and/or services not meeting such standards will not be reimbursed under this Contract. The Contractor's signature on the request for payment form certifies maintenance of supporting documentation and acknowledgment that the Contractor shall solely bear the costs associated with preparing or providing nonconforming goods and/or services. The Council requires immediate notice of any significant and/or systemic infractions that compromise the quality, security or continuity of services to clients.

3.7 Consequences for Noncompliance

Contractor shall ensure 100% of the deliverables identified in this Contract are performed pursuant to contract requirements.

3.7.1 Corrective Action Plan

If at any time the Contractor is notified by the Council's Contract Manager that it has failed to correctly, completely, adequately perform contract deliverables identified in this Contract, the Contractor will have ten (10) days to submit a CAP to the Council's Contract Manager that addresses the deficiencies and states how the deficiencies will be remedied within a time period approved by the Council's Contract Manager. The Council shall assess a financial consequence for noncompliance on the Contractor as referenced in Section 3.7.2 of this Contract for each deficiency identified in the CAP, which is not corrected pursuant to the CAP. The Council will also assess a Financial Consequence for failure to timely submit a CAP.

If the Contractor fails to correct an identified deficiency within the approved time period specified in the CAP, the Council shall deduct the percentage established in Section 3.7.2 of this Contract from the payment for the invoice of the following month.

If the Contractor fails to timely submit a CAP, the Council shall deduct the percentage established in ATTACHMENT I, Section 3.7.2 of this Contract for each day the CAP is overdue. The deduction will be made from the payment for the invoice of the following month.

If, or to the extent, there is any conflict between ATTACHMENT I, Section 3.7, and Section 39. of the Master Contract, Section 3.7 shall have precedence.

3.7.2 Financial Consequences

The Council will withhold or reduce payment if the Contractor fails to perform the deliverables to the satisfaction of the Council according to the requirements referenced in ATTACHMENT I, Section 2.1 of this Contract. The following financial consequences will be imposed if the deliverables stated do not meet in part or in whole the performance criteria as outlined in ATTACHMENT I, Section 2.8 of this Contract.

Failure to comply with established assessment and prioritization criteria, as evidenced by the CIRT reports, will result in a 2% reduction of payment per business day. The reduction of payment will begin on the first business day following the Council's notification to the Contractor that the identified deficiency was not cured or satisfactorily addressed in accordance with the Council-approved CAP, referenced in ATTACHMENT I, Section 3.7.

Failure to perform management and oversight of Program operations will result in a 2% reduction of payment per business day. The reduction of payment will begin the first business day following the Council's notification to the Contractor that the identified deficiency was not cured or satisfactorily addressed in accordance with the Council-approved CAP, referenced in ATTACHMENT I, Section 3.7.

Failure to timely submit a CAP within 10 business days after notification of a deficiency by the Council Contract Manager will result in a 2% reduction of payment per business day the CAP is not received. The reduction of payment will begin the first business day following the Council's notification to the Contractor that the identified deficiency was not cured or satisfactorily addressed in accordance with the Council approved CAP, referenced in ATTACHMENT I, Section 3.7.

Failure to provide services in accordance with the current DOE Programs and Services Handbook, the service tasks described in ATTACHMENT I, Section 2.1, and submission of required documentation will result in a 2% reduction of payment per business day. The reduction of payment will begin on the 11th business day following the Council's notification that it has failed to correctly, completely, adequately perform contract deliverables identified in this Contract.

INSTRUCTIONS FOR THE CIVIL RIGHTS COMPLIANCE CHECKLIST

1. Describe the geographic service area such as a district, county, city, or other locality. If the program/facility serves a specific target population such as adolescents, describe the target population. Also, define the type of service provided.
2. Enter the percent of the population served by race and sex. The population served includes persons in the geographical area for which services are provided such as a city, county or other regional area. Population statistics can be obtained from local chambers of commerce, libraries, or any publication from the 1980 Census containing Florida population statistics. Include the source of your population statistics. (“Other” races include Asian/Pacific Islanders and American Indian/Alaskan Natives.)
3. Enter the total number of full-time staff and their percent by race, sex, and disability. Include the effective date of your summary.
4. Enter the total number of clients who are enrolled, registered, or currently served by the program or facility, and list their percent by race, sex, and disability. Include the date that enrollment was counted.
5. Enter the total number of advisory board members and their percent by race, sex, and disability. If there is no advisory or governing board, leave this section blank.
6. Each recipient of federal financial assistance must have on file an assurance that the program will be conducted in compliance with all nondiscriminatory provisions as required in 45 CFR 80. This is usually a standard part of the contract language for DOE A recipients and their sub-grantees, 45 CFR 80.4 (a).
7. Is the race, sex, and national origin of the staff reflective of the general population? For example, if 10% of the population is Hispanic, is there a comparable percentage of Hispanic staff?
8. Where there is a significant variation between the race, sex or ethnic composition of the clients and their availability in the population, the program/facility has the responsibility to determine the reasons for such variation and take whatever action may be necessary to correct any discrimination. Some legitimate disparities may exist when programs are sanctioned to serve target populations such as elderly or disabled persons, 45 CFR 80.3 (b) (6).
9. Do eligibility requirements unlawfully exclude persons in protected groups from the provision of services or employment? Evidence of such may be indicated in staff and client representation (Questions 3 and 4) and also through on-site record analysis of persons who applied but were denied services or employment, 45 CFR 80.3 (a) and 45 CFR 80.1 (b) (2).
10. Participants or clients must be provided services such as medical, nursing and dental care, laboratory services, physical and recreational therapies, counseling and social services without regard to race, sex, color, national origin, religion, age or disability. Courtesy titles, appointment scheduling, and accuracy of record keeping must be applied uniformly and without regard to race, sex, color, national origin, religion, age, or disability. Entrances, waiting rooms, reception areas, restrooms, and other facilities must also be equally available to all clients, 45 CFR 80.3 (b).
11. For in-patient services, residents must be assigned to rooms, wards, etc., without regard to race, color, national origin, or disability. Also, residents must not be asked whether they are willing to share accommodations with persons of a different race, color, national origin, or disability, 45 CFR 80.3 (a).
12. The program/facility and all services must be accessible to participants and applicants, including those persons who may not speak English. In geographic areas where a significant population of non-English speaking people live, program accessibility may include the employment of bilingual staff. In other areas, it is sufficient to have a policy or plan for service, such as a current list of names and telephone numbers of bilingual individuals who will assist in the provision of services, 45 CFR 80.3 (a).

13. Programs/facilities must make information regarding the nondiscriminatory provisions of Title VI available to their participants, beneficiaries, or any other interested parties. This should include information on their right to file a complaint of discrimination with either the Council, the State of Florida, Department of Elder Affairs, or the U.S. Department of HHS. The information may be supplied verbally or in writing to every individual, or may be supplied through the use of an equal opportunity policy poster displayed in a public area of the facility, 45 CFR 80.6 (d).
14. Report number of discrimination complaints filed against the program/facility. Indicate the basis, e.g., race, color, creed, sex, age, national origin, disability, retaliation; the issues involved, e.g., services or employment, placement, termination, etc. Indicate the civil rights law or policy alleged to have been violated along with the name and address of the local, state, or federal agency with whom the complaint has been filed. Indicate the current status, e.g., settled, no reasonable cause found, failure to conciliate, failure to cooperate, under review, etc.
15. The program/facility must be physically accessible to disabled individuals. Physical accessibility includes designated parking areas, curb cuts or level approaches, ramps and adequate widths to entrances. The lobby, public telephone, restroom facilities, water fountains, information, and admissions offices should be accessible. Door widths and traffic areas of administrative offices, cafeterias, restrooms, recreation areas, counters, and serving lines should be observed for accessibility. Elevators should be observed for door width, and Braille or raised numbers. Switches and controls for light, heat, ventilation, fire alarms and other essentials should be installed at an appropriate height for mobility impaired individuals.
16. Section 504 of the Rehabilitation Act of 1973 requires that a recipient of federal financial assistance conduct a self-evaluation to identify any accessibility barriers. Self-evaluation is a four-step process:
 - a. With the assistance of a disabled individual/organization, evaluate current practices and policies which do not comply with Section 504.
 - b. Modify policies and practices that do not meet Section 504 requirements.
 - c. Take remedial steps to eliminate any discrimination that has been identified.
 - d. Maintain self-evaluation on file. (This checklist may be used to satisfy this requirement if these four steps have been followed.), 45 CFR 84.6.
17. Programs or facilities that employ 15 or more persons must adopt grievance procedures that incorporate appropriate due process standards and provide for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504.45 CFR 84.7 (b).
18. Programs or facilities that employ 15 or more persons must designate at least one person to coordinate efforts to comply with Section 504.45 CFR 84.7 (a).
19. Continuing steps must be taken to notify employees and the public of the program/facility's policy of nondiscrimination on the basis of disability. This includes recruitment material, notices for hearings, newspaper ads, and other appropriate written communication, 45 CFR 84.8 (a).
20. Programs/facilities that employ 15 or more persons must provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills where necessary. Auxiliary aids may include, but are not limited to, interpreters for hearing impaired individuals, taped or Braille materials, or any alternative resources that can be used to provide equally effective services, (45 CFR 84.52 (d)).
21. Programs/facilities with 50 or more employees and \$50,000.00 in federal contracts must develop, implement, and maintain a written affirmative action compliance program in accordance with Executive Order 11246. 41 CFR 60 and Title VI of the Civil Rights Act of 1964, as amended.
