**CITY OF MIRAMAR  
INTEROFFICE MEMORANDUM**

**TO:** Mayor, Vice Mayor, & City Commissioners  
**FROM:** Vernon E. Hargray, City Manager   
**BY:** Robert E. Palmer, Fire-Rescue Chief  
**DATE:** November 7, 2019  
**RE:** Temp. Reso. No. 7053, approving the purchase of Fire-Rescue supplies and equipment from the Broward Sheriff's Office

---

**RECOMMENDATION:** The City Manager recommends approval of Temp. Reso. No. 7053, for the purchase of Fire-Rescue supplies and equipment from the Broward Sheriff's Office ("BSO") in an amount not-to-exceed \$184,900 for Fiscal Year 2020.

**ISSUE:** City Commission approval is necessary, pursuant to Section 2-412(a)(1) of the City's Procurement Code, for a purchase or combined purchases by a single City department of, or contract for, commodities or services estimated to exceed \$75,000 from the same person or entity in a fiscal year, regardless of whether the competitive bidding or competitive proposal procedures were followed.

**BACKGROUND:** Over the past several years, the City's Fire-Rescue Department has purchased a broad array of supplies and equipment from BSO including medical supplies, office supplies, bunker gear, janitorial supplies, and uniforms for staff and explorers which are necessary to perform job tasks and to service the residents of Miramar. BSO purchases these goods from vendors at lower prices resulting from the purchasing power generated by the volume of consumption by BSO and the Broward cities that participate in this process. After its purchases, BSO stores these commodities in its warehouse and provides participating cities, such as Miramar, with these products upon receipt of a purchase order. The Fire-Rescue Department has found the service provided by BSO to be dependable and efficient for supplying the necessary items and at competitive prices. City Commission approval is sought due to the purchase for Fiscal Year 2020 being estimated to exceed the \$75,000 limit. The purchase is considered exempt from further competitive bidding pursuant to City Procurement Code Section 2-413(6), referring to the utilization of other governmental agencies' contracts.
