**CITY OF MIRAMAR  
INTEROFFICE MEMORANDUM**

**TO:** Mayor, Vice Mayor, & City Commissioners

**FROM:** Vernon E. Hargray, City Manager *V.E.H.*

**BY:** Dexter Williams, Chief of Police

**DATE:** July 1, 2020

**RE:** Temp. Reso. No. 7223, Approving the award of Request For Quotation # 20-PD061, entitled "Furniture Systems and Office Furniture for the Historic Miramar Public Safety Complex"

---

**RECOMMENDATION:** The City Manager recommends approval of Temp. Reso. No. 7223, approving the award of Request for Quotations No. 20-PD061, entitled "Furniture Systems and Office Furniture for the Historic Miramar Public Safety Complex" ("RFQ") to the lowest responsive, responsible Respondent, JC White Architectural Interior Products, and authorizing the purchase of Furniture Systems and Office Furniture for the Historic Miramar Public Safety Complex in an amount not-to-exceed \$219,403.34.

**ISSUE:** City Commission approval is required for expenditures exceeding \$75,000 in accordance with City Code Section 2-412 (a)(1).

**BACKGROUND:** The Historic Miramar Public Safety complex which is currently under construction, will accommodate the Police Substation, Crime Lab / Evidence Storage and Police Logistics at one central location. The new facility building area is estimated to require 22,000 sq. ft. and will include administrative office areas to serve the various public safety operations, evidence laboratory areas, evidence storage, general storage, community room for use by residents and civic groups and surface lot to stage various public safety specialty vehicles.

On June 4, 2020 the City of Miramar issued Request for Quote # 20-PD061 for Furniture Systems and Office Furniture for the Historic Miramar Public Safety Complex, under State of Florida Contracts 425-001-12-1 and 56120000-19-ACS. The City received two responses, from Pradere Manufacturing Corp ("Pradere") and JC White Architectural

Interior Products ("JC White"). JC White, a Miramar company, was the lowest responsive responsible Respondent.

**DISCUSSION:** The Miramar Historic Substation is set to open in mid-August and needs to have furnishings for the forty-four employees who will be providing services out of that building.

**ANALYSIS:** As the Miramar Historic Public Safety Complex is a new facility, furniture, fixtures and equipment are necessary to furnish the building. The lowest responsive and responsible respondent is JC White, a local Miramar business. Funds are budgeted for this project.
